WELCOME MESSAGE

Welcome to the **MASCON 2024!**

The Mumbai Anaesthesiologists Society invites you to be part of the **MASCON 2024**. We are back after a hiatus of few years, but our spirit remains undiminished. The memories of our past meetings as well as the impact that they have had on our everyday will ensure that our meetings keep up to the everchanging need of the modern anaesthesiologist. This year the **MASCON 2024 will be organized at the beautiful Nehru Centre-Worli on the 19th & 20th of October 2024.**

"The time is now" is a clarion call to everyone - We need to ponder over how we are going to deal with the advancements, fresh thought and opportunities that abound in our professional and personal space. It will be difficult to stay unaffected and remain enmeshed in the **"old ways"** because that simply will not be an option anymore. The **MASCON 2024** may well be a great place to start the process of understanding, accepting and strengthening a positive change.

The **MASCON 2024** has always held a unique place in the hearts and minds of the Anaesthesiologists in this part of the country. The Organizing Team and the Scientific Committee relentlessly pursue the goals of creating a congress that challenges the delegates to think, reflect and evolve where needed. The carefully chosen National & International faculty will enrich the deliberations with practical and implementable solutions. There will be various workshops organized in the months leading up to the main meeting in October. Timely notifications will be provided, and the delegates may register to these practical series of workshops separately.

We invite our friends to join in the celebrations of the **World Anaesthesia Day** - A Day that is as joyous as poignant - It is a reminder of what we have yet to achieve - individually and as a community. Let's come and walk a few steps together towards a future that will surely reward us for understanding that **"OUR"** time is now!

We will see you at the **MASCON 2024!!**
